

Windham Historic District Commission Meeting
First Church in Windham (Congregational), Windham Center Road,
Windham

July 7, 2010

Commissioners present: William McMunn (Chair), Nancy Ames, Alice Burns-Decelles, David Masopust, Charles Thorpe

Chairman McMunn called the meeting to order at 7:30 p.m.

Chairman McMunn presented a compendium of all the sections of the property owners' guidelines that we have drafted to date.

David Masopust suggested that good material for our use is contained in the guidelines of the Simsbury and Collinsville historic districts.

After discussion, it was determined that we might use the introductory page from the Simsbury guidelines and much of the Collinsville document as a basis for the Windham guidelines. Chairman McMunn offered to email this material to the Commissioners and Alternates in editable form, and asked the Commissioners to review these documents carefully and come to the next meeting prepared to make appropriate modifications and additions for incorporation into the draft Windham guidelines. It was agreed that unless we receive applications for Certificates of Appropriateness, we will devote the regular meeting on July 28th to continuing this discussion.

Minutes of the special meeting held on June 23rd were reviewed and approved with several corrections. As those minutes have already been posted, Chairman McMunn agreed to submit the corrected minutes for re-posting.

The meeting was adjourned at 8:30 p.m.

Respectfully submitted,

William McMunn, Chair
