Windham Historic District Commission  
Commission Meeting Minutes:  
March 30, 2016

The Windham Historic Commission held a commission meeting on Wednesday, March 30, 2016 at 7:00 p.m. at the Windham Center School, 41 North Rd, Windham, CT.

In attendance: commission members Alice Burns-Decelles, Lori Guillard, David Masopust, William McMunn and David Johnson, alternate.

Also in attendance were Jean Chaine, Windham zoning commission, and Mr. Rob Munhall of Lebanon, a member of the public.

Public Hearing called to order at 7:05 p.m.

Mr. Munhall expressed his concern about the proposal to demolish the house at 20 Windham Center Rd. He stated he was not in favor of demolishing a historic structure and that another use for the structure should be found.

Public Hearing adjourned at 7:15 p.m.

Regular Commission Meeting called to order by Chair, William McMunn.

At which time Mr. McMunn read a letter received today from John McGrath, attorney, withdrawing the application from the Windham Center fire department to demolish the Shooks house (20 Windham Center Rd.) This decision has been made following a review of the wetland report which creates some uncertainty about what could be built on the site. No official action is needed at this time from the commission on this matter.

No reply from Dr. Steven Rouse concerning his application on solar panels. Uncertain as to when we will get followup.

An application was received from John McGrath & Scott Clairmont (Windham Public Works Dept.) concerning the roadway of the Windham Upper Green area. The commissioners had not been able to review this application yet and several questions arose. Mr. McMunn to contact Scott Clairmont to get more information.

Minutes of January 27, 2016 approved.

Minutes of February 24, 2016 approved with addition of about 50 members of the public were in attendance.

The next meeting will be on April 27, 2016 at the Windham Center School at 7:00 p.m.

The meeting was adjourned at 8:15 p.m.

Respectfully submitted,  
Alice Burns-Decelles
