**Approval of Minutes of Previous Meeting:** Motion to accept minutes from October 26 was made by patty Szczys, seconded by Joshua Idjadi and passed unanimously.

**Correspondence:** none

**Additions to Agenda:** none

**Discussion with Joshua's Trust to consider shared priorities and objectives:** Present from Joshua's Tract Conservation and Historic Trust were future president, Allison Burchell-Robinson, President, Warren Church, and past president, Madge Manfredi. Representatives from Joshua's Trust informed the committee that the Wolfe property now belongs to Joshua's Trust. It is a cornerstone to future open space. Property is 110 acres. Letters will be going out to neighbors re long term use. They also shared their open space map. Joshua's Trust is interested in using open space and Wolfe property as a laboratory for environmental science. They are interested in approaching the magnet school committee. Tara told them who to contact. Joshua's Trust membership campaign is important. They will be meeting with towns to talk about possible open space. There will be a Dedication of the Wolfe property in the spring and Joshua's Trust hopes Windham Officials are present. Joshua asked if the Wolfe property will be open to hikers. Yes, but no hunting, fishing or boating. The wish is to keep it natural for passive recreation.

**Consideration of Land Use Proposals:** none

**Other Business:** Tara shared the Master Plan for Town Parks with the commission.
