

Town of Windham Ethics Commission Meeting
DRAFT MINUTES of Thursday, March 24th, 2011
Town Hall Auditorium, Main St., Willimantic, CT

Call to order at 7:32PM.

Citizens and Delegations

Doug Lary of 183 Summit St. Willimantic, related to the Commission that he had been at another meeting at Town Hall. A question had arisen from one of the Planning/Zoning members, Mrs. Dawn Niles, with regard to a conflict of interest question that she brought forward to the Town Manager. Mr. Lary felt that this was a good example of townspeople not knowing procedure as how to find out where a conflict of interest question should go.

Continued discussion, possible action, regarding possible changes to Ethics Ordinance of Oct. 20, 2009

There was an overview of the nearly completed document. Additional changes were made, and the document is nearly done being tweaked. The hope is to have a final, completed ordinance available for presentation to the sub-committee of admin/finance, and to Town Mgr. Beets very shortly.

Citizens and Delegations

Henry Crane of 66 Windham St., Willimantic, stated that because the Commission is down to three members, all must be present to have a quorum and hold a meeting.

The meeting was adjourned at 8:57PM.

Respectfully submitted,

Kessenia K Gagnon, Secretary
