### New Business

**Martie Krohn – 10 Jerusalem Rd., Windham Center** – this is an application for review of a four lot Subdivision Plan that has wetlands on the property, but no activity in the wetlands. Three lots will share a common driveway, and the run-off will be directed to grassy swales that discharge into rip-rapped splash pads; then directing the remaining water to the wetlands areas after treatment.

This will have to be a short meeting, because the Planning Commission had to schedule a special meeting on the same matter for 7:30 PM as they will lose two members the following week to elective offices; and then the Planning and Zoning Commissions will be combined in December.
