New Business

Windham TSC, LLC – 476 Boston Post Rd., North Windham – This is a continuation of the public hearing on the application for wetlands permit for activities in the upland of Wetland/Bog/Swamp. Revised plans have been submitted addressing concerns raised by the Joshua Trust – abutting this property. Also, as a reminder - if you have any special training or expertise, you should disclose this at the hearing.

Old Business

Several Commissioners attended a site walk the Fleming property to examine the existing conditions relative to his complaint about his neighbors – the Perkins. Some Commissioners also went to see the Perkins property next door. Hopefully, the Board members will be able to report your findings. I had distributed quite a lot of information and photos of the properties a few months ago, and hopefully you have had a chance to look at them as well as my previous reports.
