New Business

Windham TSC, LLC – 476 Boston Post Rd., North Windham – This is a continuation of the public hearing on the application for wetlands permit for activities in the upland of Wetland/Bog/Swamp. I will try to organize a summary the materials submitted into for review, but I haven't had time to do that at this point. Also, as a reminder - if you have any special training or expertise, you should disclose this at the hearing.

Responses to violation Notice –West Main St. Willimantic two of the three property owners are trying to get a formal application in to the Board, and they would like to briefly present this to the Board.

Old Business

Several Commissioners attended a site walk the Fleming property to examine the existing conditions relative to his complaint about his neighbor, and hopefully we will have another walk coming up next Wednesday May 7th to review the site again, and perhaps see the Perkins property next door as they have agreed to have someone available to show us their property.
