

Energy Commission Notes
Oct 23, 2012

Members Present: Jean de Smet, Grace Adams, Michelle Mallette. Guests: Kate Donnelly, Joe Gardner, Corey Krohn (after 6). No quorum.

Joe Gardner attended a workshop on Benchmarking. He does not believe that Celtic Energy did any updates to the Benchmarking that ECSU did in 2008. Joe will do the data entry on the Library as a starting point.

Kate Donnelly, N2N, presented a plan for community workshops, tabling and media outreach. Kate will notify Commissioners of the dates and times and we will help when we can.
